Property Descriptoin

I'm this is Ben enables you to just dictate the description into here so you can just talk away about your description remember you have the functionality of being able to log into the router at your properties if you're taking on a letting property there and then you can log into outside and you can use either your Android or your Siri on your mobile phone and dictate the property description into here and then edit it later on when you get back to the office it is absolutely incredible and I don't know about you but I don't particularly enjoy typing much rather talk away you know just put in a full description here about how wonderful this property is ok if it's not function if used before.... information that you want you either.
